Prof Satyanarayana

As you are aware the entire college now mobilizing for the effort to submit its application for renewed accreditation with Middle States.

In discussions with the members of the school's Gen. education assessment committee it was felt that some additional leadership was needed.

I was encouraged by other members of the committee to reach out to you. They all were highly complementary of your work and past participation and encouraged me to ask if you'd be interested to assist the committee as a cochair. School will be grateful for your participation and I suggest that you reach out to Prof. Mendoza and Dr. Cumming to review the responsibilities and commitment required and if possible accept this assignment.

Thank you very much for giving this request your kind consideration

Regards
