To: Ashwin Satyanarayana  
From: Randall Hannum  
Subject: Service on College Curriculum Committee

---

Dear Professor Satyanarayana,

I am writing this letter to thank you for your service on the College Council Curriculum Committee, where you served as a voting member.

Last year was extremely productive; 22 minor modifications, 20 major modifications, which included two new degree program, were submitted, evaluated, and most passed through college governance. The committee was extremely collegial, and it has been a pleasure to be a part of such a committed and talented group of faculty. The average committee member participation was 1.79 proposals.

In particular, I want to thank you for your committee member service on the following proposals:

- 15-15 New Course - COM 2404 Interpersonal Communication
- 15-16 New Course - COM 2403 Health Communication

Thank you again.

Respectfully,

A handwritten signature in cursive script that reads "Randall Hannum".

Dear Professor Satyanarayana,

I am writing this letter to thank you for your service on the College Council Curriculum Committee, where you served as a voting member.

Last year was extremely productive; 16 minor modifications, 19 major modifications were submitted, evaluated, and most passed through college governance. The committee was extremely collegial, and it has been a pleasure to be a part of such a committed and talented group of faculty. The average committee member participation was 1.56 proposals.

In particular, I want to thank you for all your efforts in developing a program to extract new courses from the Chancellor's Report. All your efforts were much appreciated.

Respectfully,

Randall Hannum  
Chair, College Council Curriculum Committee

Dear Professor Satyanarayana,

I am writing this letter to thank you for your service on the College Council Curriculum Committee, where you served as a voting member.

Last year was extremely productive; 27 minor modifications, 20 major modifications were submitted, evaluated, and most passed through college governance. The committee was extremely collegial, and it has been a pleasure to be a part of such a committed and talented group of faculty. The average committee member participation was 1.75 proposals.

In particular, I want to thank you for your committee member service on the following proposals:

17-07 New Course MAT 061 Pre-Algebra

Chairing a sub-committee is a particularly significant task, and I want to thank you for chairing the following proposals:

17-19\* Math Corequisites

Respectfully,
